## Sunday Worship 30 July 2023

Today, four short parables of the kingdom of heaven challenge us to think about God's transforming action in the world and our human response. Sometimes this transformation is almost imperceptible until we notice that something has changed quite dramatically. Other times, when we think we have grasped some treasured insight it can be a beginning rather than an ending.

We acknowledge that we are on the land of the Kaurna people.  
We pay respect to their tribal elders, honour their continuing culture, and pray  
that in the power of your Spirit we might work together for reconciliation and  
justice in this nation.
