## 13 October 2024

It's not addition that makes one holy but subtraction: stripping the illusions, letting go of pretense, exposing the false self, breaking open the heart and the understanding, not taking my private self too seriously. (Richard Rohr)

### PLAY IT ON

We're supporting a great new initiative to encourage more kids to play sport. If you've got unwanted sporting equipment taking up space in your garage, you can donate it to the collection box which will be placed in front of the church netball shed. A list of what items can be collected will be located near the box.

[Play it On](#) is a not for profit social enterprise that provides funding subsidies to kids from families that are financially challenged. Your donation of sports equipment will be sold and the profits raised will assist kids from struggling families through subsidy grant sporting club fees.
